

Candy Corn Goodie Bag

Purchase a 10”w x 9”h x 3”d denim bag. Cut a block 6.5”h x 8”w from a black background fabric and also a piece of heat n bond lite. Iron the heat n bond to the back of the background piece and then iron the block to your bag. Place three of the candy corns on top of the background block (follow directions on patternlet for applying fusible web, etc.) Sew around each candy corn piece and around the edge of the background block using a buttonhole or blanket stitch. Hand-sew a wooden button in each corner of the block.
