

Candy Corn Gift Bags

This is super easy and a great bag to put the matching towel in as a gift! It is an 8x10x4.5 kraft paper bag. The orange background square is cut to 5x5 and the smaller black square is cut to 4x4. Both squares are adhered using fusible web, just like the candy corn. There is no stitching involved, just use a thin, black marker to write the words “From One Corny Friend... To Another!” Add one orange and one black ribbon tied around the handle.
