

Candy Corn Goodie Bag

I loved this one! Easy and a great gift for friends, teachers, and kids! Cut two pieces of black fabric to 5.5"x8.5". On one piece of fabric, place your Candy Corn (follow patternlet directions) on top, approximately 1-1/4" above the bottom edge and stitch using a buttonhole stitch. Lay one piece of fabric on top of the other with right sides together. Using pinking shears, cut the top edge of the bag (one of the 5.5" sides). Sew a 1/4" seam along the two, long sides and the bottom. Turn the bag right sides out and fill with your goodies. Tie 1 piece each of a brown, orange and black ribbon into a bow to close the top. For the tag, I just printed "from one "corny" friend to another" on the computer, cut into a rectangle and clipped the top corners to resemble a tag. Punch a hole to run one strand of the ribbon through and age the edges using a brown ink pad.
